**Physiotherapist – Join Our Passionate, Family-Owned Clinic!**

**Location:** Plaza-Pointe Claire, Pointe-Claire

**Job Type:** Full-time or Part-time

**Experience Level:** New grads welcome or experienced

**Start Date:** Flexible – Spring/Summer 2025

## **About Us**

At Energie Active Physio, we're not your typical physiotherapy clinic—we're a family. Locally owned and deeply rooted in our community, we are passionate about making a difference, one patient at a time. Our clinic is built on values of compassion, quality care, and teamwork, offering a supportive, unique, and patient-focused environment where both clients and therapists thrive.

We prioritize quality over quantity and empower our team to build strong, meaningful connections with clients. Whether it's orthopedics, pelvic floor therapy, TMJ, or chronic pain, we believe in treating the person, not just the condition.

## **The Opportunity**

We are looking for a motivated, caring Physiotherapist to join our growing team! Whether you're a new grad eager to start your career or an experienced clinician ready for a new challenge, we have an opportunity tailored for you.

Our Pelvic Floor Physiotherapist will be going on maternity leave, offering an incoming pelvic floor therapist the rare chance to start with an already full caseload. You'll be stepping into a high-demand program with the opportunity to help shape and grow it for the future.

We welcome interest in pelvic floor therapy, orthopedics, or any area where you shine! Let's build something amazing together!

## **Why Join Energie Active Physio?**

- **Start with Success:** Begin with a full caseload due to maternity leave coverage.
- **Flexibility for Life:** We offer part-time or full-time hours that fit your lifestyle and goals.
- **New Grad Friendly:** We provide mentorship and guidance to help you build confidence and skill in your practice.
- **Grow with Us:** Opportunity to lead and expand our pelvic health program.
- **Supportive, Fun Team:** Join a collaborative, friendly environment where everyone feels valued.
- **Professional Development:** Access to continuing education support and career growth opportunities.
- **Client-Focused:** Spend meaningful time with clients—we support quality, not quotas.
- **Impactful Work:** Be part of a team truly making a difference in the community.

## What We're Looking For:

- Licensed Physiotherapist (member of OPPQ in good standing or eligible)
- Interest or experience in Pelvic Floor Physiotherapy (we'll support training if needed!)
- Skilled in orthopedic manual therapy, exercise prescription, and patient education
- Strong communication and interpersonal skills
- Passion for patient-centered care and being part of a collaborative team
- Growth mindset and positive energy
- Bilingualism (French/English) is an asset, but not required

## Perks & Benefits:

- Competitive compensation
- Flexible scheduling – part-time or full-time
- Continuing education allowance
- Paid time off and holiday flexibility
- Access to a fully-equipped gym on-site
- Administrative support – focus on care, not paperwork
- Supportive workplace culture where therapists are truly valued

## Join Us and Make a Real Difference

At Energie Active Physio, you'll find more than a job—you'll find a place to grow, be supported, and do work that matters. Whether you're just starting out or looking to take the next step in your career, we'd love to welcome you into our team.
